**CONTINUING SERVICE AGREEMENT WITH OSHAWA PUC NETWORKS INC.**

Please accept this as your authority to place the hydro into the name of the owner as tenants vacate the property.

I understand that once the tenant calls for a final bill the hydro service will automatically be put into my name without further notice and a \$30 Change of Occupancy charge will be applied to the first bill.  
If there should be any disputes regarding the dates it will be between the owner and the tenant.
